

REQUEST TO SPEAK TO THE BOARD OF TRUSTEES
STE GENEVIEVE COUNTY HEALTH DEPARTMENT BOARD MEETING

The Ste Genevieve County Health Department Board of Trustees welcomes you to this meeting. The law requires that our board meetings be open for public observation, but it does not require that the public be allowed to participate.

However, we value the ideas and insights of the members of our community and therefore we set aside a maximum of 15 minutes during each board meeting for a forum. If you wish to speak to the board during this forum section of our agenda, please complete the form on the bottom and hand it to one of the board members before the meeting begins.

Only those persons who have completed the form and given it to a board member prior to the meeting will be allowed to speak.

When the board reaches the "Public Forum" section on the agenda, the board president will allow each person who has turned in the form to speak for 3 minutes.

Please do not expect the board to respond at this meeting to your questions or requests. The board will note your concerns or questions and respond in a manner and at a time that is appropriate and after the board has had time to deliberate.

At other times during this meeting, board members may wish to ask for information from persons in the audience, but please refrain from comment unless asked by a member of the board.

Thank you for your participation and for helping us to conduct an open and orderly meeting.
